Dear Prospective Student and Parents:

Thank you for your interest in the Rudolf Steiner Upper School.

Waldorf education focuses on active learning, and seeks to cultivate critical thinking through a rich artistic curriculum. As independent learners, our students develop a strong sense of community within a rigorous and diverse educational environment. This experience contributes to the strength with which our graduates embrace higher education and beyond.

Founded in 1928, the Rudolf Steiner School was the first Waldorf School in the United States. Today, Waldorf is the largest nonsectarian independent school movement with 900 schools in 80 countries around the world. We serve students from NYC and the surrounding areas, and because of our worldwide reputation, also attract many families with diverse and international backgrounds. With our Lower School, located at 15 East 79th Street, we enroll 340 students in Nursery through Grade 12.

We encourage prospective students and their families to join us for a tour or attend an Open House during the school year. Please feel free to call or email me at the school with any questions.

Additional details regarding our Admissions process, including application downloads and general information about our School, can be found at: www.steiner.edu.

We look forward to meeting you at the Upper School.

Sincerely,

Julia Hays '73
Director of Admissions for the Upper School
