November 2009

Dear Parents,

The Rudolf Steiner School is fortunate to be able to offer qualifying families assistance with tuition to help them provide their children with a Waldorf education.

As you know, tuition assistance funds are limited and allocated on a first come basis. As you might suspect, the economic climate of the last year or two has had a significant impact not only on the number of families requesting tuition assistance, but also on the amount of assistance requested. As a result of this and other factors, tuition assistance funds are especially limited for the 2010-2011 school year. Therefore it is critical that all families wishing to apply for tuition assistance submit their full application on or before the January 15, 2010 deadline.

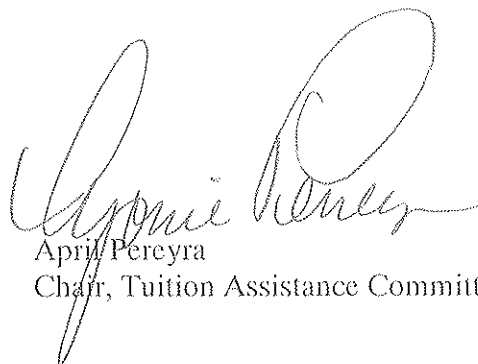

As is the case every year, families currently receiving tuition assistance should anticipate having to pay more tuition towards their child's education than may have been expected previously.

If you have any questions, please do not hesitate to get in touch with April Pereyra, or any other member of the Tuition Assistance Committee.

Best wishes,

Dawn Trachtenberg  
Board Treasurer

April Pereyra  
Chair, Tuition Assistance Committee
