

ALUMNI COMMITTEE REPORT

By Rhoda Lauten

The 2007 Fall Fair Alumni Café was attended by alumni from as far away as Tokyo. Two Steiner seniors shared what day-to-day life in the Upper School is like currently, while Alumni Committee Co-Chair Julia Hays Klebanow '73 regaled the room, filled with alumni and their families, with stories of past days in mathematics class with Mr. Amos Franceschelli. The Class of 1987 kicked off their 20th reunion at the Café, sharing memories with many current and former faculty members including Renate Poliakine '60, Rallou Hamshaw, Tim Hoffmann, Irene Mantel, Lucy Schneider, and Jann Gates.

On January 30, 2008 the first meeting of three newly-established volunteer alumni subcommittees was conducted at the School:

Annual Giving Committee

Michael Nemser '68
Rani Vaz '83
Jonathan Edwards '96
Frederick Leichter '76

Reunion Committee

Dr. Russell D. Robbins '80
Keir Buckhurst '89
Gina G. Guerrero '00
Winifred Scheuer '02
Cynthia Diaz '95

Special Events Committee

Suzanne Gregoire '74
Sarah Ganz Blythe '91
Claudia Stone '77
Jessica Osserman '02

These Steiner alumni have volunteered to work together in these individual areas to further the goals, vision and mission of the Alumni Association. An official welcome and thanks is extended to them by David Nadel '87 and Julia Hays Klebanow '73 for their renewed commitment to the School.

The addition of the above-mentioned subcommittees to the existing class rep structure of the Alumni Committee has made it possible to declare the Alumni Committee the leadership body of the Rudolf Steiner School Alumni Association. In addition to the annual meeting, the subcommittees will meet when necessary to fulfill their individual obligations. Class reps will continue to help secure class notes for the alumni magazine and to act as liaisons between their class and the School's Alumni Relations Office. The Alumni Committee has many new ideas it looks forward to initiating in the coming year.

Be sure to save Thursday, May 29, 6-8:00 pm for the first RSS All Alumni Reunion to be held at the Allan Stone Gallery, 113 East 90th Street, New York City. Tours will be held at the Lower and Upper School buildings on Thursday afternoon before the reunion to allow former students to visit classrooms. Please join us!
